

GRAIN

for

GROCERIES

YOU can make a difference by donating your harvested grain to buy groceries for local food pantries!

How it works:

- 1** Deliver your grain to a local grain elevator in Montgomery County and specify that you wish to donate a portion of your load to “Grain for Groceries.”
- 2** The grain will be marketed at that day’s closing market price.
- 3** The proceeds from the donated grain will then be distributed to local food pantries in Montgomery County.

For more information, please contact the
Montgomery County Farm Bureau.
